

KIDS ON THE MOVE FOR SUCCESS

STEAM Educational Showcase

The STEAM Educational Showcase is a one-day, all school event exposing students in grades PreK – 5 (and special education) to STEAM fields – Science, Technology, Engineering, Arts, and Math including literacy.

The event is designed to increase student interest in STEAM topics, improve academic performance, raise self-esteem and develop leadership skills. Administrative, teaching and other staff participate along with all students. Each student will visit all the exhibitors which represent each of the STEAM subject areas. Our exhibitors include universities, engineers, mathematicians, baker and much more!

The exhibitor list to date includes:
